Arranger's Notes:

This arrangement welcomes all skill levels with a comfortable, narrow range. The dotted quarter-note patterns throughout make it perfect for building rhythm confidence—take them slowly at first!

Navigation Made Simple:

This piece introduces musical road signs (D.S., Segno %, and Coda ⊕). You'll play the opening twice, skip ahead to new material (marked "2nd ending"), return to the % for one more pass, then jump to the Coda for your grand finale. The symbols guide you—no memorization needed!
