

No Longer Slaves

Song of Serafin

By Jonathan David Helser,
Joel Case, and Brian Johnson

Arranger's Notes:

This version is designed for players of all levels. The piano part stays within a comfortable range, and I've added pedal markings and courtesy fingerings to make transitions and voicings clearer. Two things to be aware of:

- Some passages use tied and dotted rhythms across measures; those sections may feel tricky if you haven't practiced dotted-note groupings.
 - Multiple repeats and alternate endings appear in the form; if you're new to repeats, take time to rehearse the flow so transitions land smoothly.
- If you know the song, counting these rhythms becomes much easier. Play those spots slowly at first and use the pedal and fingerings provided to build confidence.
